Dangerous Goods

Dangerous goods Special regulations apply for the handling and storage of dangerous goods in the Norvik Terminal. More detailed information about these regulations and guidelines for the transport of dangerous goods are provided by Operations Department in Norvik. Send a request to: gate.ctn@hutchisonportsstockholm.se

Notification in advance Notification of dangerous goods should be made to the Terminal at the latest 24 hours prior to the goods expected arrival at the Terminal. Notification/Request can be done by email to the Operations Team who will provide notification form if needed. gate.ctn@hutchisonportsstockholm.se

Limitations regarding the handling of specific materials in the Norvik Terminal Special restrictions are in force regarding the handling of specific materials, these limit the Terminal's capacity to receive and store such materials.

Additional charges for handling and storage of dangerous goods according to the IMDG code Costs incurred for special equipment such as protective clothing and other safety equipment or the supervision and taking care of hazardous waste, etc will be charged to the client.

Invoicing Principles

All prices exclude VAT. Payment conditions of 20 days after the date of invoice apply.

In the event of delays in payment, statutory interest on overdue payment made up of a reference interest rate determined by the Swedish Parliament, plus an additional 0,8%, will be debited.

Liability Provisions

Hutchison Ports Sweden AB's General Trading Terms and Conditions apply to this pricelist and its contents and any arrangements or agreements arising out of or in connection therewith.

The insurance of goods is not included in storage charges. Requisite insurance must be taken out by the goods owner.
